**BILL TOWNING**

**Sheffield Football Club U19 SECRETARY**

A very warm welcome to everyone for this pre-season friendly game against our friends from Sheffield Wednesday Football Club.

It's great to meet up once again with Sean McAuley and his talented academy squad; Sean is a great supporter of U19s football locally and these friendly games are valuable opportunities for both clubs.

We are all looking forward to the start of the new season in the North Midland U19 Football League. If we make the same progress as we did last year then that will be great; to improve on it will be fantastic. Phil and Dave have been hard at work adding new players to our squad to replace the lads who "graduated" from the U19s last season. With the exception of these players, we have retained the vast majority of the squad who finished last season and they all know what is expected of them in 2007 - 08.

The league will be just as competitive, the football will be fast, fluid and full of goals. We don't have 0 - 0 draws in U19 football!

Next season, for the first time in it's 150 year history, Sheffield Football Club is taking part in the FA Youth Cup. Our first game in this competition is away at Liversedge in the week commencing 10<sup>th</sup> September; if we are successful in this tie we will play Halifax Town here at the Stadium of Bright the following month.

Hope you all enjoy the game and we hope you will be able to come to see us on Wednesday nights in the coming season.

Thanks for supporting us tonight - enjoy the game

Bill
